# hp designjet 800 and 800ps

Busy workgroups want large-format prints fast—and HP Designjet 800 Series printers deliver clear, crisp images with rich, true colors and uncompromising image quality—print after print. HP Designjet 800/800ps printers are network-ready—a smart choice for any technical or graphics workgroup.

A “virtual computer” inside boosts productivity by doing all of the file processing work—freeing up the computer, so you can stay focused on critical deadlines. That’s smart.

## hp designjet 800

Architectural firms, engineering departments and other technical groups rely on the HP Designjet 800 printer for fast, accurate illustrations, precise line drawings, and high-resolution renderings.

## hp designjet 800ps

The HP Designjet 800ps printer, with an included Adobe Postscript 3 RIP, provides detailed illustrations, accurate proofs and powerful presentations for advertising agencies, design studios, graphics workgroups, and corporate departments.

Exclusive HP Designjet imaging technology delivers uncompromising image quality at top speed. Smart printing tools provide customers with low cost of ownership, a simple-to-use interface and a high degree of unattended printing.

## high speed

- Color images at 85 ft<sup>2</sup>/hr (D-size fast mode)
- Line drawings in just 60 seconds (D-size super fast mode)

## uncompromising image quality

- Rich, brilliant colors from print to print, regardless of ink levels or printhead usage
- Precise ink placement ensures crisp, sharp lines and text
- HP’s color layering technology combines ink drops on a single dot to create smooth color transitions and photo-quality results—even up close
- Up to 2400 dpi resolution (on glossy media)

## smart printing

- “Virtual computer” inside processes files, quickly freeing up the computer
- Supports queuing, nesting and processes the next job while printing
- Network ready—comes ready to print right out of the box
- High capacity HP No. 82 ink cartridges and long-life HP No. 11 printheads mean fewer supplies changes, unattended printing, and low cost of ownership

The **hp** designjet printing system—**hp** printers, ink systems and printing material—developed and tested together to ensure uncompromising image quality, performance and reliability.

## hp designjet printing supplies
